PREGNANCY

Expectations & New Joy portraits are wonderful for capturing the excitement of the family with the new addition here, or soon-to-arrive. The series provides a unique and memorable way of documenting the growing baby, with a 3-image-set. These portraits make wonderful gifts for yourself, your spouse, or the grandparents-to-be.

Pregnancy portrait scheduling: Book early! Keep in mind that sessions are best shot late in the 3rd trimester, and series photographs are best shot near months 2/3, 5/6, and 8/9.

Expectations Sessions

- One location (studio, environmental, home)
- One hour portrait session
- Unlimited people participating in the portrait
- 50 final edited and retouched images (mix of color, black & white, & antiqued finishes)

Expectations Series

- One location (studio, environmental, home)
- Three portrait sessions
- Up to five different posed series
- Includes additional non-series poses for the 3rd trimester pregnancy portraits
- 50 final edited and retouched images (mix of color, black & white, & antiqued finishes)
